

1 MR. MILES: May I just for the purposes of
2 trying to bring the matter to a head, in line with Dr.
3 Templeton's comments and others, I move that whatever
4 section it belongs in, the right to vote in any place
5 in Maryland, in this municipal ballot or any place
6 else, be restricted, talking about municipality, be
7 restricted to either a resident or property owner and
8 his right to vote cannot be abridged for any other reason.
9 I think that is what we are talking about.

10 THE CHAIRMAN: I am not so sure, as I
11 understand it, that that would meet Dr. Templeton's
12 point.

13 DR. TEMPLETON: I think it would, Mr.
14 Chairman, for example, and this may be far-fetched --

15 MR. MILES: The last part is what the
16 doctor is interested in that it can't be abridged for
17 any other reason.

18 MR. TEMPLETON: Let us assume that we pick
19 up a very advantaged community, advantaged in terms of
20 income and education, and they set high standards, let's
21 say a high school diploma. This is possible. I submit
